FORT VANCOUVER

INTERNATIONAL BOUNDARY DISPUTE, HISTORIC FORT VANCOUVER BECAME, AND HAS SINCE REMAINED A MILITARY RESERVATION OF THE UNITED STATES, BEING THE POST IN 1853 OF YOUNG LIEUTENANT U.S. GRANT, LATER A GENERAL IN THE WAR OF SECESSION IN 1848. WITHIN A SHORT TIME AFTER SETTLEMENT OF THE AMERICAN AND BRITISH AND EIGHTEENTH PRESIDENT OF OUR NATION.

OUR HERITAGE

Dedication

To the senior class of 1947, we dedicate this second issue of "Vespa", in the faith that they, wise in council, sound in judgment, and strong in Christian faith and purpose, will take their place in the world with their contemporaries.

It is our hope that by co-operation learned through the principles of modern education, they may bring about a common union of all peoples.

ADMINISTRATION

To the Class of '47

You who are the first to graduate under the Green and
White colors of the college are the first to set the example of
the record you have made. You have shown, by your example, that
you are worthy successors to strive to reach the same heights
and provide an able leadership. Your line of action is
as seen in your contribution toward the establishment of a
friendly, informal, true scientific atmosphere for our school
living together. I am confident that the tolerance and open-
mindedness, the willingness to share and accept responsibility,
the ability to be strong leaders and able followers, your
belief in cooperative effort for the greatest good of the
greatest number will prove invaluable to you.

With one accord, faculty and students wish you the very
best of luck. We know that you will do well. We are proud
of you, and we will be with you in your every accomplishment.

Prophecy Of '47

"Hey, Cloe, get out of the shower! Leave some hot water for me. Listen to this article from Joe's Column in 'The Herald'. There's one girl who rose to fame quickly. Pat Hurley is entertaining royalty. The Countess of Varsovinovici, formerly, Arlis Roberts, is spending the weekend at Pat Hurley's palatial New York estate. Also present are the academy Award winners, Gloria Sauve and Maurice Mitchell. Detective L. Stiffler of the New York Police is guarding Miss Sauve's jewels."

"You know, Jo, that article about Pat Hurley makes me wonder about Mikey Foster."

"Oh! Her? She's the latest torch singer at Locarno's and her newest flame is Bob Legato. He and Vernon Wooley are co-owners of Locarno's now. I heard that Jim McCaffrey is writing all of her latest songs. Don't you know any gossip?"

"Yes, I know that Helen Clayton is starting a new hospital, and Anna Brown is resident physician. Anna for nervous breakdowns and her first patients are Milly Dotler, voted the World's Best Patient; Bonnie Tisher, leader of the All-Girl Orchestra; Merle Sharp and Charles Kohlhepp, who are fast replacing Frankie and Ping; and Norma Schomoker, world renowned traveler."

"Well, I can understand why they would have breakdowns. I'm surprised that Harlan Stutesman hasn't had one with that collection of old cars."

"Say, I heard he sold a hot rod to George Roberts, and it fell apart on Holly-wood and Vine. That couldn't have been so bad because the dazzling dancer, Kit Hinkle, pulled him out of the junkpile. I wonder if she'll drop multimillionaire Brenna for George?"

"Anything can happen these days. Look at Lot and Gene. After ten years she deserted him for the lead in Barbara Ichelen's Pulitzer Prize winning play, 'Our sins are still Uncertain'."

"I heard the reason was Gene spent more time tinkering with his new, jet-propelled car put out by Redenbaugh Motors than with Dot."

"By the way, Cloe, Kayo Potter and Slugger Hibbs have a bout tonight. They're still battling for the featherweight-championship. Johnny Stewart is broadcasting the fight. Shall we listen in?"

"After all, Jo, this is their sixteenth bout, so let's go downtown and see that dance team composed of Francis Jones Lutricia Brown, and Claudine Glenn. Donna Hammie, the famous critic, says they are sensational."

Her favorite subject is journalism, and she usually be found flying through the halls with copy in one hand and galley eyes in the other. Libby's pet peeve is people who insist on eating her Doritos. Her biggest accomplishment according to those still alive is a super potato salad which she'll whip up on any occasion imaginable.

Mike is an agreeable guy, who likes everything and every one, and incidentally everyone likes Mike. As far food Mike likes everything from soup to nuts.

Jack claims his favorite class is study halling. "I don't want to hurt my teachers' feelings by saying I love it," he says. "I have a powerful liking for basketball, powerful, that is, and his pet peeve is walking home alone" after football practice.

To sum it up, he can eat anything from the O.M. cafeteria - sweats he will attend Vassar College and is proud to say he is the

Social Events

The Football Dance, given in honor of the Ogden Meadows' football team, was held in the auditorium. A large, old football centered the attention of those present as the individual pictures of each member of the team.

The high point of the evening was the presentation of awards to Howard Jones, honorary captain, and the Senior, winner of the inspirational award.

Soft lights and good music helped to make the evening enjoyable.

The annual production "Carnival Papers" was presented May 1 and 2 with approximately 25 students participating.

Among the featured acts were freaks of the circus, including a bearded lady, a human skeleton, and a lion tamer.

The roller skating frolic was a merry-go-round scene followed by a jitterbug dance and "Sweetest Girl" interlude based on Tchaikowsky's "Nutcracker Suite."

The school band, under Mr. Charles Brantley's direction, played throughout the entire performance.

The various acts were under the direction of individual teachers and the student chairmen.

Silver stars, a rising moon, and a blue sky casting its light on rose-covered lattices was the setting for the junior-senior prom, "Moonlight and Roses."

The main event of the evening was the crowning of one of the loveliest lassies of the senior class as "Queen of the Prom." She was seated on a throne placed under a bower of roses, and after the ceremony, she reigned for the rest of the evening.

A short program was given at intermission, and punch was served throughout the dance.

Student chairman of the affair was Louise Jones with Mrs. Verne Reiferson as faculty advisor.

The graduating class of 1947 held the first senior ball ever to be sponsored at Ogden Meadows High School.

The dance was a formal affair and was held in the high school auditorium on the night of June 1, from 7:00 P.M. to 1:00 A.M., following the graduation commencement exercises.

Only seniors and their dates and guests were admitted to the dance.

Seniors served on the committees for the decorations, tickets, and entertainment.
